D. Employees in the bargaining unit who are eligible to vote but who will be absent on the day of voting because of hospitalization, temporary assignment away from normal post of duty, leave of absence, vacation at a location more than fifty (50) miles distant from the polling place, or other legitimate cause, may request an absentee ballot from the director. Except for good cause shown, such a request must be received by the director at least ten (10) days before the election, in which case the director, after preliminarily determining the employee's eligibility to vote, shall provide the employee with a ballot to be submitted to the director by mail. To be counted, an absentee ballot must be received by the director at least one day before the ballot count.

Observers shall not wear or display any insignia, emblems, or clothing that advocates or promotes a party's position.

7. DUTIES OF THE ELECTION SUPERVISOR.

A. The Election Supervisor shall hand the ballot to each eligible voter appearing at the polling place after the voter identifies himself or herself and signs the eligibility list. Said eligible voters shall produce a picture I.D. before signing the eligibility list.

10. OBJECTIONS. Within five (5) workdays following the service of the Results of Secret Ballot Election form (the written tally of ballots), a party may file objections to the conduct of the election.
