In re:

CHAMA VALLEY INDEPENDENT  
SCHOOL DISTRICT,

PELRB NO. 214-04

Respondent.

ORDER

**THIS MATTER** comes before the Public Employee Labor Relations Board (“Board”) on an Order to Show Cause hearing recommendation by Executive Director Thomas J. Griego that the Board’s November 24, 2004 approval of the Chama Valley Independent School District (“CVISD”) local board resolution be revoked. The Board being sufficiently advised and with a vote of 3-0 finds as follows:

1. CVISD did not provide evidence to support counsel’s assertion that the three members appointed to its local board in 2006 still exist and currently constitute the CVISD local board.
2. This Board has received no evidence that the CVISD local board has met or taken any action required by the Public Employee Bargaining Act, NMSA 1978 §§ 10-7E-9 and 10-7E-10(A) except a notice of a meeting to be held in January of 2006 to adopt procedural rules and an unsigned copy of those rules.
3. The evidence presented to this Board does not support a finding that the CVISD’s board has met to hold hearings or make inquiries necessary to carry out its functions and duties, e.g. passage of an Open Meetings Act Resolution required by NMSA 1978 §10-15-1(B); it is therefore not an operational board in compliance with its previously approved local board ordinance or NMSA 1978 §§ 10-7E-9 and 10-7E-10(A).

**THEREFORE, THE BOARD,** revokes its approval of CVISD's local board resolution.
