## ORDER

**THIS MATTER** came before the Public Employee Labor Relations Board (hereinafter the “Board”) at its open meeting on April 4, 2023 upon a referral by the Executive Director for consideration of sanctions against Petitioner or its President for failure to timely affect service of its Petition on the Employer. After hearing oral presentations by both the Petitioner and Respondent, and otherwise being fully advised, the Board voted 3-0 that sanctions for failure to affect service are not warranted in this case and staff are directed to continue the normal course of processing the Petition.
