Amended Certification of Representation

The undersigned hereby certifies that Santa Fe Community College American Federation of Teachers-American Association of University Professors, (Union) has demonstrated a sufficient basis pursuant to NMAC 11.21.2.35 to compel amendment of the certification of the bargaining unit issued by this office on August 11, 2017 to reflect the affiliation of American Federation of Teachers with American Association of University Professors. This Amended Certification affects the following bargaining unit comprised of employees of the Santa Fe Community College:

Full-time faculty employed by SFCC for more than one year, including Department Chairs. The bargaining unit excludes part-time, temporary and probationary faculty, confidential, supervisory and management employees, including Academic Directors.

The undersigned makes this certification based on the following:

1. By a Petition filed February 6, 2024 the Union requested amendment of the Certification of the Exclusive Representative of the above-described unit basis pursuant to NMAC 11.21.2.35 to reflect the affiliation of American Federation of Teachers with American Association of University Professors.
2. On February 6, 2024 the Board's Executive Director determined that the Petition was facially valid and sent notice to the parties requesting a statement of their positions as to whether the amendment should be made. No objection to the amendment has been received.
3. The Petition does not raise a question concerning representation and it presents sufficient facts to show that the amendment should be made. Accordingly, certification of the bargaining unit issued by this office on August 11, 2017 shall be, and hereby is, amended to reflect a change in the affiliation of the recognized bargaining representative to "Santa Fe Community College American Federation of Teachers-American Association of University Professors".
