ORDER

THIS MATTER comes before the Public Employee Labor Relations Board at its regularly scheduled meeting on November 4, 2025, upon the dismissal of a Petition by the union to accrete the positions of Assistant Operations/Maintenance Superintendent -Control Center and Facility Maintenance Supervisor into an existing bargaining unit at the Albuquerque Bernalillo County Water Utility Authority. On June 10, 2025, the Director found that the Petition was not supported by an adequate showing of interest and requested the Union provide it, and no further showing of interest was provided by the Petitioner. Therefore, the Executive Director dismissed the Petition on October 22, 2025. Upon review of the submissions, the Board, by unanimous vote, hereby affirms the dismissal but notes that it is without prejudice and the Union is free to file another petition to accrete the same employees.
