<sup>1</sup> This data reflects a breakdown by date the case was filed, NOT by date the case was concluded. Additionally, representation cases are tabulated by workplace rather than by respondent labor organization.

<sup>2</sup> Including cases identifying SPO as the Respondent that concern the implementation or administration of the statewide contract, and also cases filed against individual State agencies.

<sup>3</sup> Including the University of New Mexico Hospital, a.k.a. UNM Health Sciences Center.

<sup>4</sup> This category includes other political subdivisions or entities such as water, irrigation, or sanitation districts, and also cases filed against a Local Board, and the one case filed against the New Mexico Courts, in 2004.

<sup>5</sup> This category includes Petitions for Clarification, Accretion, Severance and Intervention.

<sup>6</sup> One PPC filed in 2007 against a School (and Labor Board) was treated by the Hearing Examiner as a Request for Approval pursuant to NMAC 11.21.5.13. See Gallup McKinley School District, Case 103-07. It is counted only as a PPC for statistical purposes because that is how it was filed, and because the Board held it had jurisdiction to hear the matter as a PPC. See McKinley County FUSE, AFT 3313 v. Gallup-McKinley County School District and Gallup-McKinley County School District Labor Management Relations Board, 3 PELRB 2007 (undated).

<sup>7</sup> This included two cases filed against local boards. One case was filed against the Gallup-McKinley School District's Local Labor Board (along with the School District, see Note 7, *supra*), and the other case was filed against the Northern NM College Labor Relations Board. In both matters, the claims against the Local Board were dismissed by the Hearing Examiner for lack of jurisdiction under Sections 19 and 20 of PEBA. See Cases 103-07 and 155-07.

<sup>8</sup> All but one of these were filed naming a particular State agency. The Statewide Petition for Accretion concerned the accretion of a number of various Agencies' job classifications or TOGs into previously certified and consolidated statewide horizontal units. See Case 357-04, completed in 2008.
